Inspection: 317982289
UBI: 604182705
Region: 06 – Safety
Inspector ID: K2100
Reference: 203415611

Enclosed are the results of the safety and health inspection of your workplace. This packet contains:

- **Citation Invoice** – the total assessed penalty is \$105,600.00.
- **Citation and Notice of Assessment** – Washington Administrative Code (WAC) Violations.
- **Employer Appeal Rights** – You have 15 working days to appeal this citation.

You must immediately post this Citation and Notice of Assessment at or near where the violation(s) occurred, where employees can easily find and read it, or where employees normally receive posted information. All postings must remain until you have corrected all violations, or for seven working days, whichever is longer. “Working day” means a calendar day, except Saturdays, Sundays and all legal state holidays.

Because this inspection is public information, the result will be posted by the Department of Labor & Industries. You may view it at <https://secure.lni.wa.gov/verify>.

Please visit <https://www.lni.wa.gov/agency/public-disclosure/> if you would like to request a copy of the inspection file. Your choices are:

- Safety & Health Citation Only
- Safety & Health Brief Inspector Summary Report (short description the inspector writes to summarize the reason for the inspection only – not complete file)
- Safety & Health Citation and Complete Inspection File (The complete legal file which contains the detailed information regarding the inspector’s findings, the citation, and calculation of any penalty. This will be especially helpful if you are contemplating filing an appeal.)

If you have questions, call the compliance supervisor, Troy Briggs, at (509) 324-2544.

Respectfully,

L&I Assistant Director

Violation 1 Item 1

Violation Type: Repeat Serious

WAC 296-880-20005(7)

The employer did not ensure that a fall arrest system, or positioning device system is provided, installed, and implemented in accordance with WAC 296-880-400. Fall protection system specifications when employees are exposed to fall hazards of six feet or more to the ground or lower level while engaged in roofing work on a low-pitched roof.

Two (2) employees were installing residential solar panels on a low-pitched roof with heights from eight (8) feet eight (8) inches to thirteen (13) feet to the ground below without being connected to the self-retracting lifelines. A fall to the ground from a height between eight (8) feet eight (8) inches to thirteen (13) feet to the ground below could result injuries of a permanent nature and or death.

Exposure to hazards of this nature can lead to serious injuries involving permanent disability, death, or chronic irreversible illness.

The violation above is cited as a repeat of 1-1, cited on inspection 317966177 issued on 12/9/2021.

The violation above is cited as a repeat of 1-1, cited on inspection 317968131 issued on 6/3/2022.

The violation above is cited as a repeat of 1-1, cited on inspection 317968575 issued on 7/5/2022.

The violation above is cited as a repeat of 1-1, cited on inspection 317969771 issued on 9/28/2022.

Violation 2 Item 1 A
WAC 296-876-40050(1)

Violation Type: Serious

The employer did not ensure self-supporting ladders are not used as single ladders.

One (1) employee used a self-supporting ladder as a single ladder to access an upper roof.

Falls from ladders at heights of approximately eight (8) feet eight (8) inches to the ground below can result in serious injury or death.

Exposure to hazards of this nature can lead to serious injuries involving permanent disability, death, or chronic irreversible illness.

This violation was corrected during the inspection.

Assessed penalty: \$6,600.00

Violation 2 Item 1 B
WAC 296-876-40030(1)

Violation Type: Serious

The employer did not ensure a ladder used to access an upper level had the side rails extended at least 3 feet about the landing surface if the ladder permits.

One (1) employee had used a ladder one (1) time to access an upper roof level with the ladder not extending above the roofs edge.

Falls from ladders at heights of approximately eight (8) feet eight (8) inches to the ground below can result in serious injury or death.

The violations above have been grouped because they involve similar or related hazards that may increase the potential for illness or injury resulting from an exposure or accident. A single penalty is applied to the first item in the group.

This violation was corrected during the inspection.

Assessed penalty: \$0.00

For Employers

If you are cited for a violation of Occupational Safety and/or Health rules, you have the right to appeal the citation. **You have 15 working days from the date you receive this citation to appeal.** (RCW 49.17.140(1)) "Working day" means a calendar day, except Saturdays, Sundays and all legal state holidays. Your appeal must be in writing. It may be mailed, faxed, personally delivered or electronically filed. If you electronically file, the Department will send an automated acknowledgement that the appeal was received. **If you do not receive acknowledgement, please ensure you have addressed it to the correct email.** You can also contact the Appeals Program at the number listed below.

For violations classified as serious, willful, repeat serious, or failure to abate serious, an employer must correct the violations by the date listed on the Citation and Notice / Employer's Certification of Abatement form unless a stay of abatement date is requested in the appeal as described on this page. A stay of abatement date means the employer's requirement to abate or correct the hazard is put on hold until the appeal is resolved. All general and repeat general violations under appeal automatically have stay of abatement dates until a final order on those violations has been issued. If you only need an extension of an abatement date, please see the above section entitled, **"If you are unable to fix the hazard(s) by the abatement due date(s)"**.

Your appeal must include:

- Business name, address, telephone number, and contact information for the employer's representative, if any, such as an attorney or interpreter.
- Inspection Number (You will find this nine-digit number in the top right corner of this page.)
- Statement explaining:
 1. What you believe is wrong with the citation and any related facts.
 2. What you believe should be changed, and why.
 3. What relief you are seeking and why.
 4. Signature and Date.

If you are requesting a stay of abatement date for serious, willful, repeat serious or failure to abate serious, you must also include:

- Each violation and item number for which a stay of abatement date is requested; and
- The reason for the stay of abatement date request.

Note: Employees and/or employee representatives may elect to participate in appeal hearings.

Posting requirement:

You must post your appeal documents (along with this citation packet) until the appeal is resolved. You must also post all other documents related to this appeal.

For Employees or Their Representatives

If your employer is cited, you may only appeal the abatement due date(s).

Your appeal must include:

- Your name, address, telephone number, and the same information for anyone who is representing you, if any.
- Inspection number.
- Statement explaining why the abatement due date should be changed.
