Inspection: 317986597
UBI: 601099290
Region: 04 – Health
Inspector ID: P3000
Reference: 203417085

Enclosed are the results of the safety and health inspection of your workplace. This packet contains:

- **Citation Invoice** – the total assessed penalty is $13,770.00.
- **Citation and Notice of Assessment** –Washington Administrative Code (WAC) Violations.
- **Employer Appeal Rights** – You have 15 working days to appeal this citation.

You must immediately post this Citation and Notice of Assessment at or near where the violation(s) occurred, where employees can easily find and read it, or where employees normally receive posted information. All postings must remain until you have corrected all violations, or for seven working days, whichever is longer. "Working day" means a calendar day, except Saturdays, Sundays and all legal state holidays.

Because this inspection is public information, the result will be posted by the Department of Labor & Industries. You may view it at **https://secure.lni.wa.gov/verify**.

Please visit https://www.lni.wa.gov/agency/public-disclosure/ if you would like to request a copy of the inspection file. Your choices are:

- Safety & Health Citation Only
- Safety & Health Brief Inspector Summary Report (short description the inspector writes to summarize the reason for the inspection only – not complete file)
- Safety & Health Citation and Complete Inspection File (The complete legal file which contains the detailed information regarding the inspector's findings, the citation, and calculation of any penalty. This will be especially helpful if you are contemplating filing an appeal.)

If you have questions, call the compliance supervisor, Colby Blackwood, at (360) 896-2367.

Respectfully,

Violation 1 Item 1 Violation Type: Serious
WAC 296-809-50002(1)

The employer did not identify and evaluate, prior to entry, potential hazards within a permit-required confined space and the work to be performed, as required by this standard.

Employees installing a new construction underground storm drain system were documented entering and/or assisting with entry into an upright, approximately 10-foot tall, precast concrete manhole structure without identifying and evaluating the potential for uncontrolled physical hazards in the event of lateral displacement.

Exposure to hazards of this nature can lead to serious injuries involving permanent disability, death, or chronic irreversible illness.

Situation not believed to exist any longer.
However, if this violation is identified again during future inspections, it may result in repeat or failure to abate violations which may include penalties.
Assessed penalty: $2,754.00

Violation 1 Item 2 Violation Type: Serious
WAC 296-809-50002(2)

The employer did not ensure that an entry permit was completed before entry was authorized into a permit-required confined space, documenting that the means, procedures and practices necessary for safe entry and work had been completed, as required by this standard.

Employees installing a new construction underground storm drain system were documented entering and/or assisting with entry into an upright, approximately 10-foot tall, precast concrete manhole structure without completing an entry permit that contained all required information prior to entry.

Exposure to hazards of this nature can lead to serious injuries involving permanent disability, death, or chronic irreversible illness.

Situation not believed to exist any longer.
However, if this violation is identified again during future inspections, it may result in repeat or failure to abate violations which may include penalties.

Assessed penalty: $2,754.00

Violation 1 Item 3 Violation Type: Serious
WAC 296-809-50014(1)(a)

The employer did not ensure that adequate rescue and emergency services were available during permit-required confined space entry operations, as required by this standard.

Employees installing a new construction underground storm drain system were documented entering and/or assisting with entry into an upright, approximately 10-foot tall, precast concrete manhole structure without adequate rescue and emergency services being available.

Exposure to hazards of this nature can lead to serious injuries involving permanent disability, death, or chronic irreversible illness.

Situation not believed to exist any longer.
However, if this violation is identified again during future inspections, it may result in repeat or failure to abate violations which may include penalties.
Assessed penalty: $2,754.00

Violation 1 Item 4 Violation Type: Serious
WAC 296-809-50018(3)

The employer did not ensure that entry supervisors were aware of hazards that may be faced during entry into a permit-required confined space, as required by this standard.

Employees installing a new construction underground storm drain system were documented entering and/or assisting with entry into an upright, approximately 10-foot tall, precast concrete manhole structure. During the inspection it was determined that the entry supervisor, who was also an entrant working in the space, was unaware of the potential for uncontrolled physical hazards within the space in the event of lateral displacement.

Exposure to hazards of this nature can lead to serious injuries involving permanent disability, death, or chronic irreversible illness.

Situation not believed to exist any longer.
However, if this violation is identified again during future inspections, it may result in repeat or failure to abate violations which may include penalties.
Assessed penalty: $2,754.00

Violation 1 Item 5 Violation Type: Serious
WAC 296-809-50020(2)

The employer did not ensure that attendants know the hazardous conditions and their duties related to permit-required confined spaces in the workplace as required by this standard.

Employees installing a new construction underground storm drain system were documented entering and/or assisting with entry into an upright, approximately 10-foot tall, precast concrete manhole structure. During the inspection it was determined that the employee working as a top hand attendant was unaware of the potential for uncontrolled physical hazards within the space in the event of lateral displacement.

Exposure to hazards of this nature can lead to serious injuries involving permanent disability, death, or chronic irreversible illness.

Situation not believed to exist any longer.
However, if this violation is identified again during future inspections, it may result in repeat or failure to abate violations which may include penalties.
Assessed penalty: $2,754.00

Appeal Rights
Inspection: 317986597

For Employers

If you are cited for a violation of Occupational Safety and/or Health rules, you have the right to appeal the citation. **You have 15 working days from the date you receive this citation to appeal.** (RCW 49.17.140(1)) "Working day" means a calendar day, except Saturdays, Sundays and all legal state holidays. Your appeal must be in writing. It may be mailed, faxed, personally delivered or electronically filed. If you electronically file, the Department will send an automated acknowledgement that the appeal was received**. If you do not receive acknowledgement, please ensure you have addressed it to the correct email.** You can also contact the Appeals Program at the number listed below.

For violations classified as serious, willful, repeat serious, or failure to abate serious, an employer must correct the violations by the date listed on the Citation and Notice / Employer's Certification of Abatement form unless a stay of abatement date is requested in the appeal as described on this page. A stay of abatement date means the employer's requirement to abate or correct the hazard is put on hold until the appeal is resolved. All general and repeat general violations under appeal automatically have stay of abatement dates until a final order on those violations has been issued. If you only need an extension of an abatement date, please see the above section entitled, **"If you are unable to fix the hazard(s) by the abatement due date(s)".**

Your appeal must include:

- Business name, address, telephone number, and contact information for the employer's representative, if any, such as an attorney or interpreter.
- Inspection Number (You will find this nine-digit number in the top right corner of this page.)
- Statement explaining:
  1. What you believe is wrong with the citation and any related facts.
  2. What you believe should be changed, and why.
  3. What relief you are seeking and why.
  4. Signature and Date.

If you are requesting a stay of abatement date for serious, willful, repeat serious or failure to abate serious, you must also include:

- Each violation and item number for which a stay of abatement date is requested; and
- The reason for the stay of abatement date request.

Note: Employees and/or employee representatives may elect to participate in appeal hearings.

Posting requirement:

You must post your appeal documents (along with this citation packet) until the appeal is resolved.
You must also post all other documents related to this appeal.

For Employees or Their Representatives

If your employer is cited, you may only appeal the abatement due date(s).

Your appeal must include:

- Your name, address, telephone number, and the same information for anyone who is representing you, if any.
- Inspection number.
- Statement explaining why the abatement due date should be changed.
