## For Employers

If you are cited for a violation of Occupational Safety and/or Health rules, you have the right to appeal the citation. **You have 15 working days from the date you receive this citation to appeal.** (RCW 49.17.140(1)) "Working day" means a calendar day, except Saturdays, Sundays and all legal state holidays. Your appeal must be in writing. It may be mailed, faxed, personally delivered or electronically filed. If you electronically file, the Department will send an automated acknowledgement that the appeal was received. **If you do not receive acknowledgement, please ensure you have addressed it to the correct email.** You can also contact the Appeals Program at the number listed below.

For violations classified as serious, willful, repeat serious, or failure to abate serious, an employer must correct the violations by the date listed on the Citation and Notice / Employer's Certification of Abatement form unless a stay of abatement date is requested in the appeal as described on this page. A stay of abatement date means the employer's requirement to abate or correct the hazard is put on hold until the appeal is resolved. All general and repeat general violations under appeal automatically have stay of abatement dates until a final order on those violations has been issued. If you only need an extension of an abatement date, please see the above section entitled, **"If you are unable to fix the hazard(s) by the abatement due date(s)"**.

### Your appeal must include:

- Business name, address, telephone number, and contact information for the employer's representative, if any, such as an attorney or interpreter.
- Inspection Number (You will find this nine-digit number in the top right corner of this page.)
- Statement explaining:
  1. What you believe is wrong with the citation and any related facts.
  2. What you believe should be changed, and why.
  3. What relief you are seeking and why.
  4. Signature and Date.

**If you are requesting a stay of abatement date for serious, willful, repeat serious or failure to abate serious, you must also include:**

Note: Employees and/or employee representatives may elect to participate in appeal hearings.

## Posting requirement:

You must post your appeal documents (along with this citation packet) until the appeal is resolved. You must also post all other documents related to this appeal.

If your employer is cited, you may only appeal the abatement due date(s).

### Your appeal must include:

- Your name, address, telephone number, and the same information for anyone who is representing you, if any.
- Inspection number.
- Statement explaining why the abatement due date should be changed.
